School Life of a Boy and Girl at Washington High School

as presented by

THE 1941 MASSILLONIAN

Washington High School, Massillon, Ohio

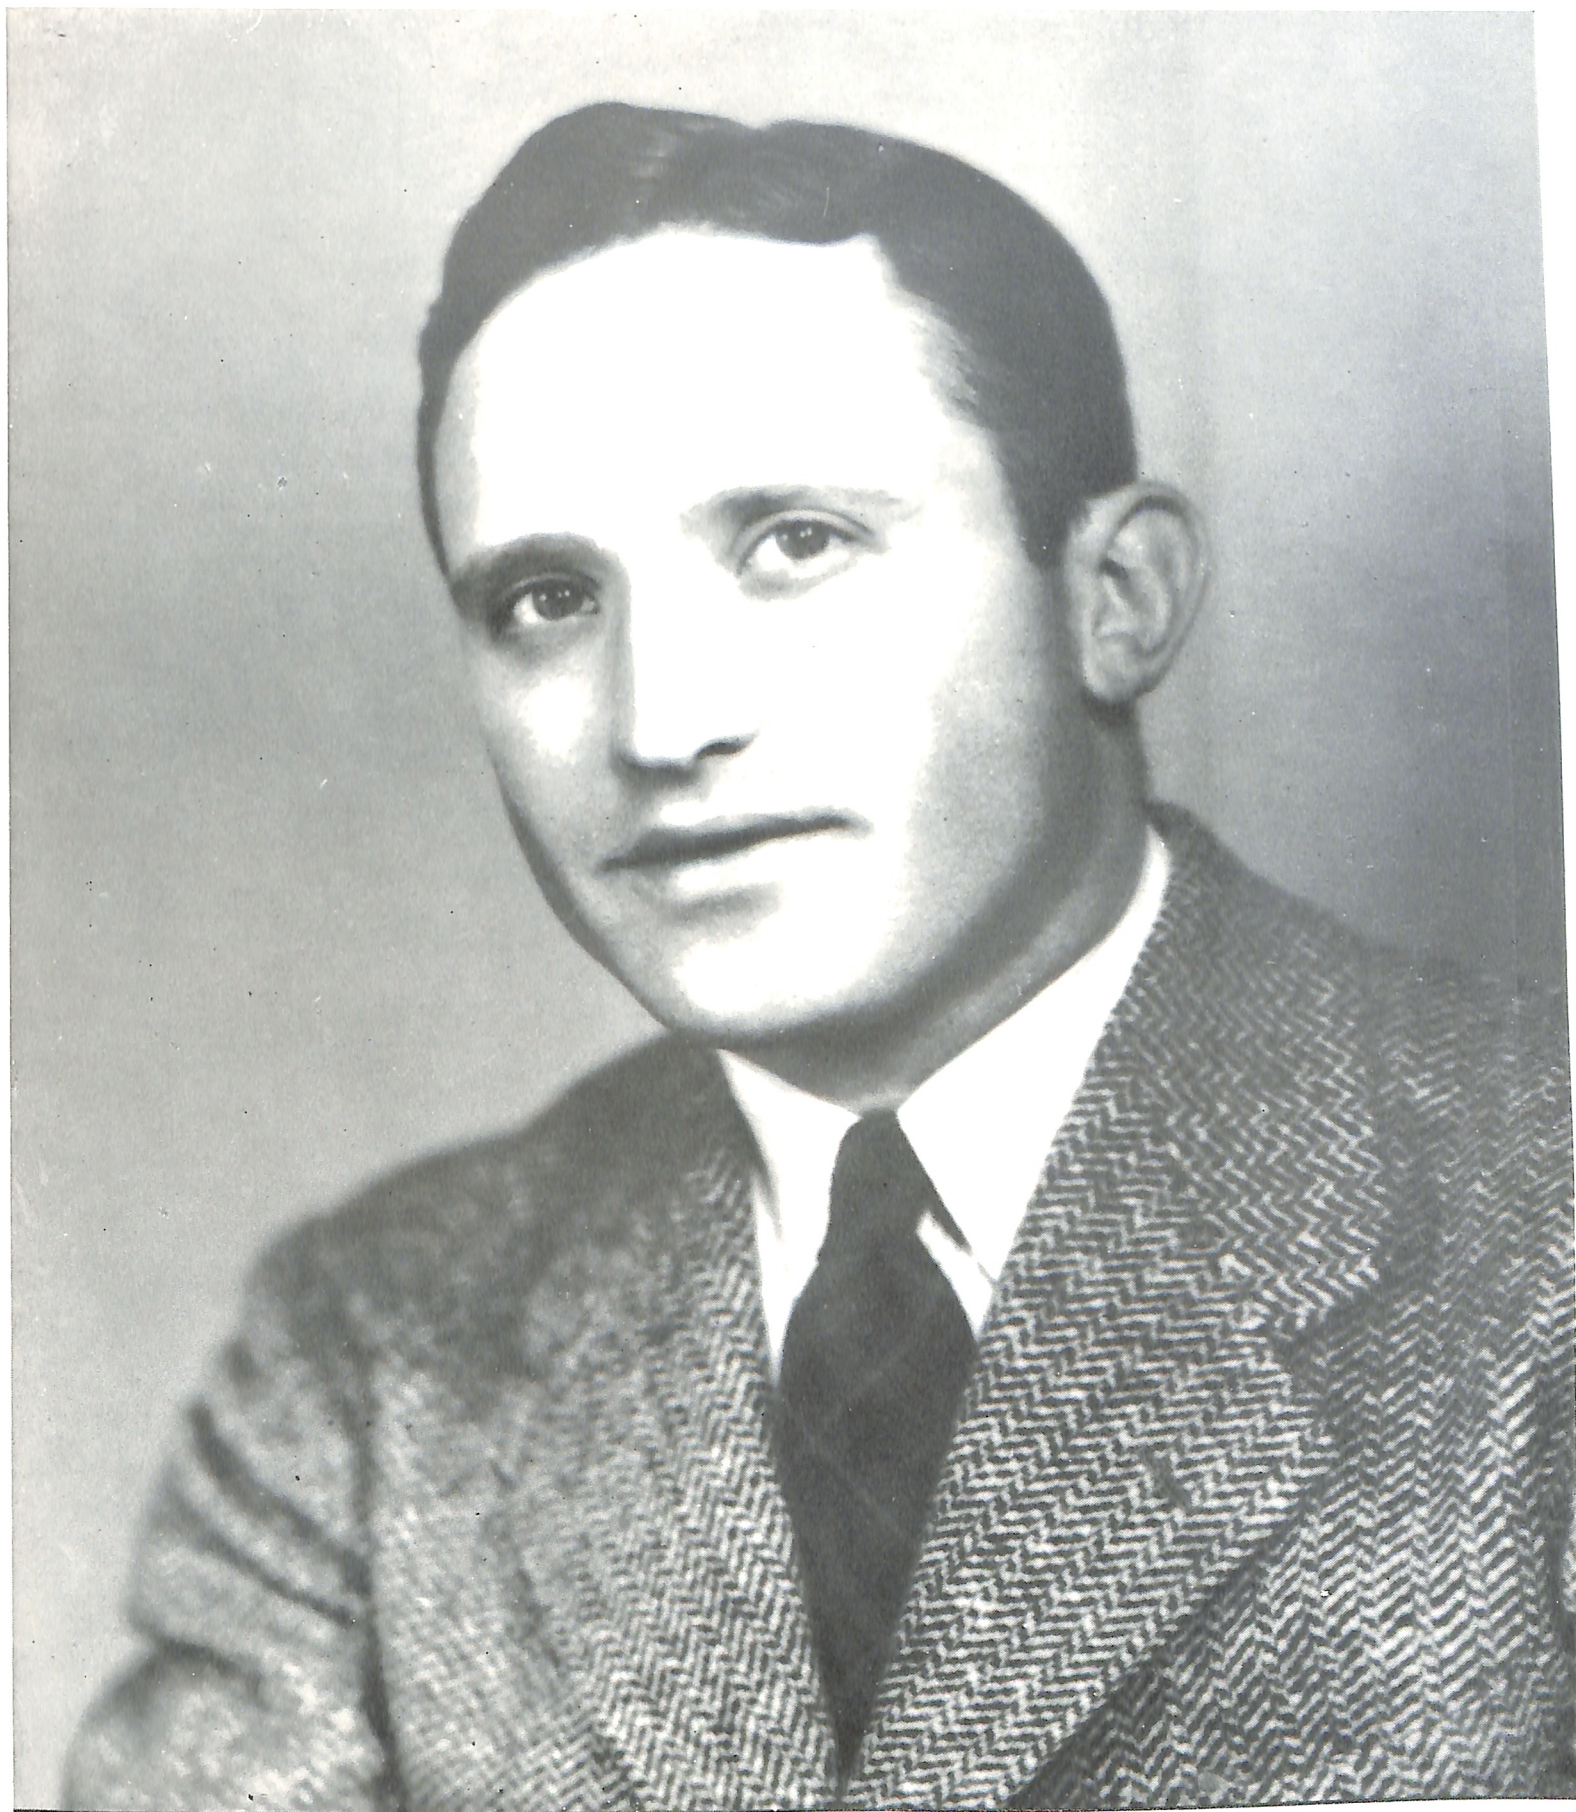

A
GAINST the tall, cold pile of masonry that is our school is cast the warm shadow that symbolizes its citizens. Across the pages of this book moves this symbol, leaving behind it the story of the year, the record of the work, play, and achievements of the boy and girl of Washington High School.

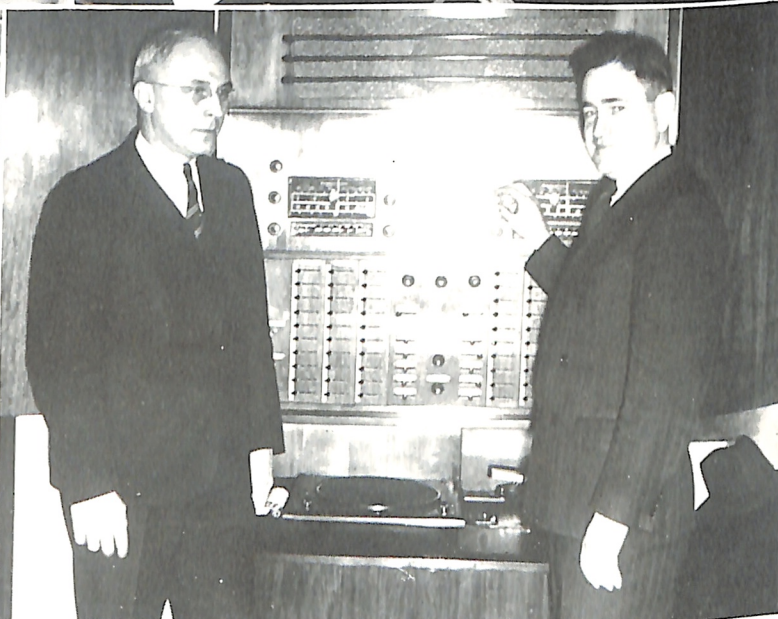

TO THOSE who have received the torch, and now hold the destiny of our good ship in their hands, we dedicate this 1941 Massillonian.

To William G. Houghton and his excellent staff, we give this vote of confidence. Go forward with sleepless vigilance, and give us victory.

COACH WILLIAM G. HOUGHTON

ADMINISTRATION

The administration takes the opportunity to wish all of you success in whatever you undertake. Every student here in Washington High School has the opportunity and the duty to prepare himself to meet whatever life has to offer. The examples of our athletic teams, music, speech, debate, dramatics and other departments should be an inspiration and a challenge to every student. Their success has been due to good leadership, careful planning and hard work on the part of all concerned.

Lincoln's famous statement, "I will study and get ready and some day my chance will come," certainly has implications for every student.

Language, mathematics and science are tools that should be thoroughly mastered. There is always a demand for young people of ability with good personalities and habits who are dependable, honest, intelligent and self-reliant.

Today, more than ever, we need an intelligent, enlightened citizenry who can distinguish between truth and propaganda, who will choose and follow wise leadership. Times look dark but instead of discouragement we need clear thinking and courage.

Recently a group of Columbia University professors stated that they wanted students who could read with good speed and comprehension, who had reasonable facility in self expression both orally and in writing, who knew how to tackle a hard job and carry it through to completion, who had acquired the habit and zest for work.

We believe that only in a democracy can the fullest possible realization of each individual's potentialities be developed. One hundred sixty-five years ago our forefathers established the democratic form of government. In order to preserve that democracy free public education has been provided and established for all. Democracy acts through intelligent co-operation, with the rights and opinions of the minority being considered. Every right carries with it a responsibility. Free public education carries with it the responsibility for every individual to develop his potentialities to the utmost.

Washington High School is doing its part in the National Defense program. At the present time the

machine shop is running twenty-four hours a day. Nearly a hundred men have already received supplementary or pre-employment training. All of them have obtained employment or better jobs as a result of this training. Many of these now being trained will go to work in the new government ordnance plant being built between here and Canton. The other departments too are offering opportunity in many fields as for example the comptometers in the commercial department.

The majority of the draftees recently inducted into the regular army from Massillon are Washington High School graduates. Our best wishes go with them and the hope that their training here will aid them in securing promotion.

One recent high school graduate reports that as a result of his education he was promoted from the mill to the office.

Now more than ever before there is need and opportunity for educated young people in both business and industry. Repeated calls come to the school for boys and girls to fill a variety of jobs.

A person is educated not when he has attended school for twelve years, but when he has mastered several skills. The most important of these according to the President of Hamilton College are: (1) ability to speak one's own language correctly and effectively in conversation and on one's feet before an audience; (2) ability to read one's own language with reasonable speed and competent comprehension; (3) ability to write clear and well-organized exposition in one's own language; (4) ability to read a foreign language with facility; (5) ability to think clearly from a given set of facts and (6) ability to work and live with other people.

The president of the National Education Association said as 1940 was dying, the future of this country "is largely dependent on the extent to which our young people are taught to be loyal to our institutions and freedoms, upon their understanding of democracy, its strengths, weaknesses and enemies, upon the efficiency of their vocational training and upon their willingness to sacrifice for the common good."

STUDENT COUNCIL

First Row—Ada Reynolds, Elaine Barth, Joan Everett, Crystal Andrews, Jeanne Wolfe.

Second Row—Walter Wright, June Burrell, Mary Jane Blaumeiser, Bob Snowberger, Lowell Loar, Ethel Hostetler, Madge Barr.

Third Row—Bob App, Jack Jacoby, Jack Lowe, Bill Williams, Eddie Lash, Paul Wiener, Shirley McGuire.

Fourth Row—Priscilla Smith, Dorothy Smith, Harold Davis, Pete Slinger, Richard Francis, Don Ackley, Eleanor Botschner, Steve Atwater.

The Student Council, made up of members elected by the three classes, represents the school in performing school activities. So varied are the activities carried out by the Council that it is impossible to list all of them.

Year after year it has been the business of this group to control the refreshment concession at the football stadium, to carry on all school elections, to stage an annual Patron's Reception, to provide programs for special days, and to decorate for Commencement.

The Council helps other school organizations in their work. They have learned that the purpose of the Council is to co-operate with all school groups. This year the Council assisted in the decorating of the gym for the Football Frolic, and helped the Class Officers to decorate for the School Dances. Advertising and furthering the efforts of many school organizations by means of the system of Bulletin Boards is done regularly.

Whatever the demands and whatever the needs, the Council is the school, and stands always ready to meet the test in performing the service.

It is an annual custom at Washington High School to select a group of students for membership in the National Honor Society. By provision of the National Constitution membership for any year may include a maximum of fifteen per cent of the senior class. Criteria for selection are specified as character, service, leadership, and scholarship.

It has long been a moot question whether one who has done well scholastically (and it is difficult to apply objective measures to the other criteria) will succeed in life more fully than those of lesser light. Remember the tortoise and the hare!

OUTSTANDING SENIORS

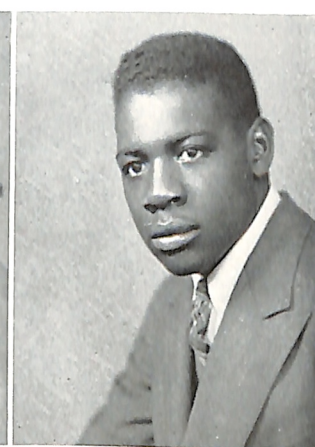

BERTHA STEINBACH

JIMMY WEIRICH

MARILYN LOUGH

HORACE GILLOM

Six hundred sophomores — five hundred juniors — four hundred seniors . . . Can you read the story in those figures? To some extent, then, *any* senior is one apart from the pack. But the seniors . . . They started equal, didn't they? And somehow, in the course of three years they became unequal. Some distinguished themselves by achievement, and some by the lack of it. It is with the former that we are concerned here.

BERTHA STEINBACH—Long after it has been forgotten who excelled in lesser accomplishments, Bertha Steinbach will be remembered as the valedictorian of the class of 1941. Bertha is no bookworm, mind you—she takes her academics in stride. And you may count on it—you will hear of her again.

JIMMY WEIRICH—Too often a master fiddler is just a master fiddler. So it is refreshing to find a fiddler who can build a house. Is this obscure? Jimmy Weirich is a gentleman, a scholar, and a judge of what the good manager should do—managing is a "thankless" job, but Jim was born to manage. Best of all—he knows how to manage Jim.

MARILYN LOUGH—When you recall "Pygmalion," "Counsellor at Law," "You Can't Take It With You," or "Outward Bound," you think of Marilyn Lough. Three years in speech work, culminating in national competition, top scholarship, her keen influence on many social organizations, mark Marilyn as one of talent, for whom green lights are shining on the road ahead.

HORACE GILLOM—What did Emerson say about a mousetrap? Well—this guy was the inventor. Three years of high school athletics—football, basketball, and track competition of the most intense sort, have revealed Horace a natural born athlete, one of the finest our school has seen.

CATHEDRAL LATIN

Before 16,500 spell-bound fans the Massillon Tigers clawed their way through the Cathedral Latin Lions to a 64-0 victory. The Tigers advanced the ball to the Latin 33, where Blunt scampered through guard for the first tally. Getz's kick split the up-rights. James tossed a 36 yard pass to Gillom for the next touchdown and Getz converted. Blunt made the score 20-0 on a baffling triple reverse. On the next drive Blunt went over from the 1 foot line. After intercepting Sague's pass, Gillom circled end to finish the scoring for the first half. Three plays after the kick-off Gillom raced 40 yards from punt formation to score standing up. On the next drive James took it over from the 1, Getz making the conversion. Adams intercepted another Latin pass and he scored after a long march to make it 51-0. In the fourth stanza White raced 65 yards for a touchdown on a Statue of Liberty. Adams crashed over from the 11 and Pizzino added the final point.

WEIRTON

Massillon's mighty Tigers rose to defeat the Red Raiders from Weirton 48-0 before a record-breaking crowd of 18,300. Robinson intercepted Janura's pass and on the second play Gillom circled end on a 49 yard touchdown jaunt, Getz kicking the extra point. Gillom again raced around end for a touchdown a few plays later and Getz repeated to make the score 14-0. Blunt crashed into pay dirt next after James had tossed a spectacular pass to Getz. Getz converted. Robinson intercepted another pass and raced to the Weirton 10 before he was stopped. Blunt plunged over to make it 27-0. Pizzino and Getz carried the ball to the Weirton 26 where James scored on a spinner and Getz kicked the extra point. James tossed a shovel pass to Robinson for the next touchdown and Getz made it 5 out of 6. The second team started the last half and Adams skirted end for the final score. Pizzino's conversion was good.

WARREN

The Massillon Tigers captured their 26th straight victory by handing the Warren Presidents their worst licking in history, 59-0. On the fourth play James blasted through tackle for a touchdown. Getz kicked the extra point. Then Wallace blocked Exler's punt on the Warren 4 where James took it over in two plays and Getz converted. The Tigers drove to the 18 where James crossed unmolested on a spinner, making it 20-0. In the second period from punt formation Gillom raced 75 yards for a touchdown and Getz kicked the extra point. Robinson recovered Scarpaci's fumble and Pizzino took it over in three plays. Opening up their passing attack the Tigers marched 54 yards down the field, Pizzino plunging for the 6 points, and Getz kicking the 7th. In the last half Pizzino went over from the 10 to make it 46-0. Adams passed to White from the 48 for the next marker. Holt intercepted Scarpaci's pass on the 18 and drove over for the concluding score.

ERIE EAST

Uncorking a brilliant passing attack, the Massillon Tigers defeated Erie East 74-0 before an overflowing throng of 22,000 in the Erie Arena. On the fourth play Blunt shot through the line and Getz added the extra point. In a few minutes Blunt went over again from the 1 foot line. Getz converted. Two plays later James fired a long pass to Robinson who raced over. Russell blocked Skovron's punt and Robinson grabbed it to cover the remaining distance. Then James rifled a 45 yard touchdown pass to Gillom and Getz's kick made it 40-0. James terminated a long march by tossing to Robinson in the end zone and Getz kicked the extra point. Adams plunged over and Pizzino kicked the point to make it 54-0. Pizzino scored through center a few plays later and added the point. White streaked around end from the 24 for the next marker. Erdley passed to Power and Holt added the final point.

STEUBENVILLE

The powerful Massillon Tigers marched on toward their sixth straight State Championship by smashing the Steubenville Big Red 66-0. Gillom raced through the Steubenville team to score from the 26. Getz's conversion was good. James tossed a long pass to Gillom who scampered over for the touchdown. Getz climaxed a 68 yard march by circling end for the marker and added the extra point to make it 20-0. Broglio blocked Stojack's punt and Gillom went over on the first play. Getz converted. James crashed into pay dirt this time and Getz repeated. James scored through center from the 14 to end the first half. Gillom speared a pass from James for the next marker. James raced to the Stub's 27 where Getz passed to Robinson for the score. Getz's kick made it 53-0. Broglio blocked Unsold's punt on the 35 and Getz grabbed James' pass for the touchdown. White went off tackle for the final marker, Pizzino kicking the extra point.

ALLIANCE

Massillon's fighting Tigers beat the stubborn Alliance Aviators 40-0 while a multitude of 33,000 cheering fans watched with utmost interest in the Akron Rubber Bowl. Gillom scored the first touchdown on an end-around after the Tigers had marched down the field following the opening kick-off. Getz's conversion was good. An Alliance threat took the ball to the Tiger 1 where the great Tiger line held and Gillom kicked to safety. In the second period James went over from the 12, and Getz kicked the goal to make it 14-0. Getz scored on a cut-back after a pass from James had set up the score. Adams tossed a 30 yard pass to Gillom to score early in the fourth period. Getz converted. After two passes from Adams to Gillom made 37 yards, Blunt went over from the 10 and Getz added the extra point. Adams tossed a short shovel pass to Robinson who raced over the goal to finish the scoring.

MANSFIELD

Massillon's fighting Tigers came back after a scoreless first quarter to defeat a stubborn Mansfield eleven 38-0. It was late in the first period when they launched their touchdown drive. Adams went over from the 6 following a number of deceptive plays in the beginning of the second quarter. In a few minutes James and Gillom carried it to the 6 and Getz scored in two plays. Getz's conversion was good. In the third period the Tigers took the ball to the 2 after a hard drive from their 40 and James plunged over to make it 19-0. Cardinal recovered Henke's fumble on the 49 and, after a land attack took the ball into enemy territory, Adams flipped a 26 yard pass to Gillom in the end zone. Getz converted. Blunt did most of the toting on the next drive starting from Mansfield's 24, and Adams drove over for the score. Kingham intercepted Henke's pass on the Mansfield 37 and Adams went over in two plays to end the scoring.

First Row: Kevie Bray, End; Fred Cardinal, Back; Carl Paulik, Tackle; Eli Broglio, Tackle.

Second Row: Bill Wallace, Guard.

Third Row: Paul Getz, End; Vernon Weisgarber, Tackle; Red Henderson, Tackle.

Fourth Row: Dave Miller, Guard; Dallas Power, Back; Dick Adams, Back.

TOLEDO WAITE

Before an overflow crowd of 22,000 the Massillon Tigers showed their greatest power in defeating the Toledo Waite Indians 28-0. This decisive victory proved to be Massillon's answer to the dispute over the state title claims last year. Siebenaller's punt was blocked by Kingham and Robinson recovered on the 7. James went off tackle to score on the first play. In the second quarter Wallace blocked another punt on the Waite 17 but the ball rolled out of the end zone to go for an automatic safety and make it 8-0. The Tigers took the ball to the Waite 16 in six plays where James circled end for the touchdown. In the fourth period Getz set out on a 48 yard jaunt around left end behind a wall of blockers and side-stepped the safety man to score untouched. Getz's conversion made it 21-0. Gillom intercepted a pass on the Waite 14 where Kingham took it over in two plays and Getz kicked the extra point.

YOUNGSTOWN EAST

Scoring four times in the first half, the Massillon machine defeated a battling East team 26-0 for their 32nd straight victory. Massillon set out on its customary march after the opening kickoff and Blunt went over for the touchdown. Getz kicked the extra point. A few plays later James faded back and heaved a 54 yard touchdown pass to Gillom who raced over untouched. In the second period Massillon marched to their 49 where James raced around right end on a 51 yard jaunt behind the brilliant blocking of Horace Gillom. In the waning minutes of the first half the Tigers took a punt on their 22 and two plays advanced it to the 42. Then James fired a long pass to Getz who took it on his fingertips and raced over to complete a 48 yard touchdown play. Getz's conversion was good. The second team played the entire last quarter and battled on even terms with the East first team.

CANTON McKINLEY

A record crowd of over 22,000 fans watched the Massillon Tigers and the Canton Bulldogs renew a football rivalry that dates back to 1894. They saw Massillon's greatest team come from behind to whip the undefeated Bulldogs 34-6. In the second period Reale recovered for McKinley on their 37 and Garrison went around end for the touchdown. With a few minutes left in the first half James fired a long pass to Gillom who scored after a spectacular catch. Getz's conversion made it 7-6 at the half. Massillon received on the Bulldog 30 and James went over in five plays. Getz converted. Line plays took the ball to the 17 where the Tigers used a tricky forward pass play with Gillom making the catch in the end zone. Getz's kick was good. In their next drive the Tigers took the ball to the 9 where Getz circled end to score and again kicked the extra point. After running 61 yards James passed to Robinson for the final score.

SUMMARY OF FOOTBALL SEASON

Coach Paul Brown climaxed a brilliant coaching career at Washington High School by bringing the sixth straight mythical state championship to Massillon. With machine-like precision the Tigers used deceptive plays, deadly blocking and tackling, and perfect timing to win 32 straight games. This year they piled up 477 points to their opponents' 6 and have performed before 168,000 people—more than any Ohio college except Ohio State. Massillon has gained national prominence from its team and swing band, which have been written up in many of the most famous publications in the country. When it came to making the all-Ohio selections for 1940 the United Press placed the entire Massillon team on a squad of 28. The Associated Press placed Gillom, James, Wallace, and Russell on their eleven and named Gillom the outstanding player in the state. Coach Bernie Bierman of the University of Minnesota was the principal speaker at the Annual Booster Club Banquet. Harry James' orchestra played for the gala Football Frolic which climaxed the season.

FAREWELL TO A GREAT COACH and HIS ASSISTANTS

by

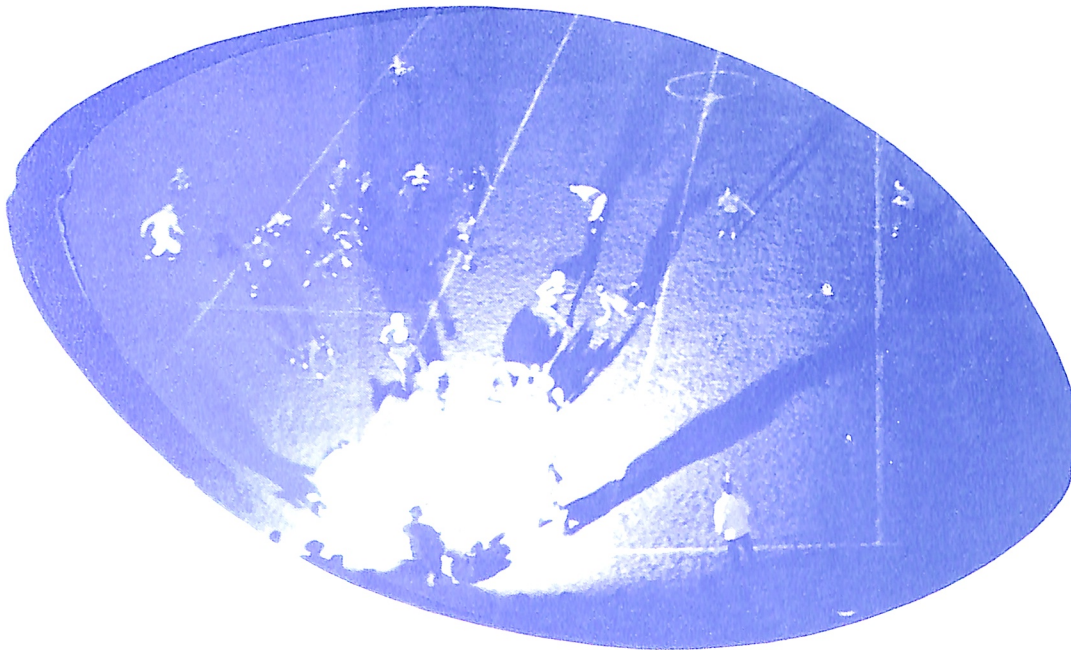

S. EARL ACKLEY

The names of Paul Brown, Carroll Widdoes, Hugh McGranahan, and Fred Heisler have been carved forever in Massillon's mythical Hall of Fame. Through small town press and through periodicals of nation wide fame these names have come to be an inspiration to all lovers of clean sports throughout the entire country.

Many acclaim them "Miracle Men"; others avow they are "Geniuses." But in my close association with them I have found Paul, "Wid," "Mac," and "Fritz" all, very human—all very normal. In Brown there is superb ability to analyze, to organize and to manage. In the other three is the willingness to cooperate unreservedly with their leader. Their accomplishments are typical results of tireless effort and unadulterated hard work. Their athletic achievement is one seldom even envisioned by other coaches and certainly never before attained.

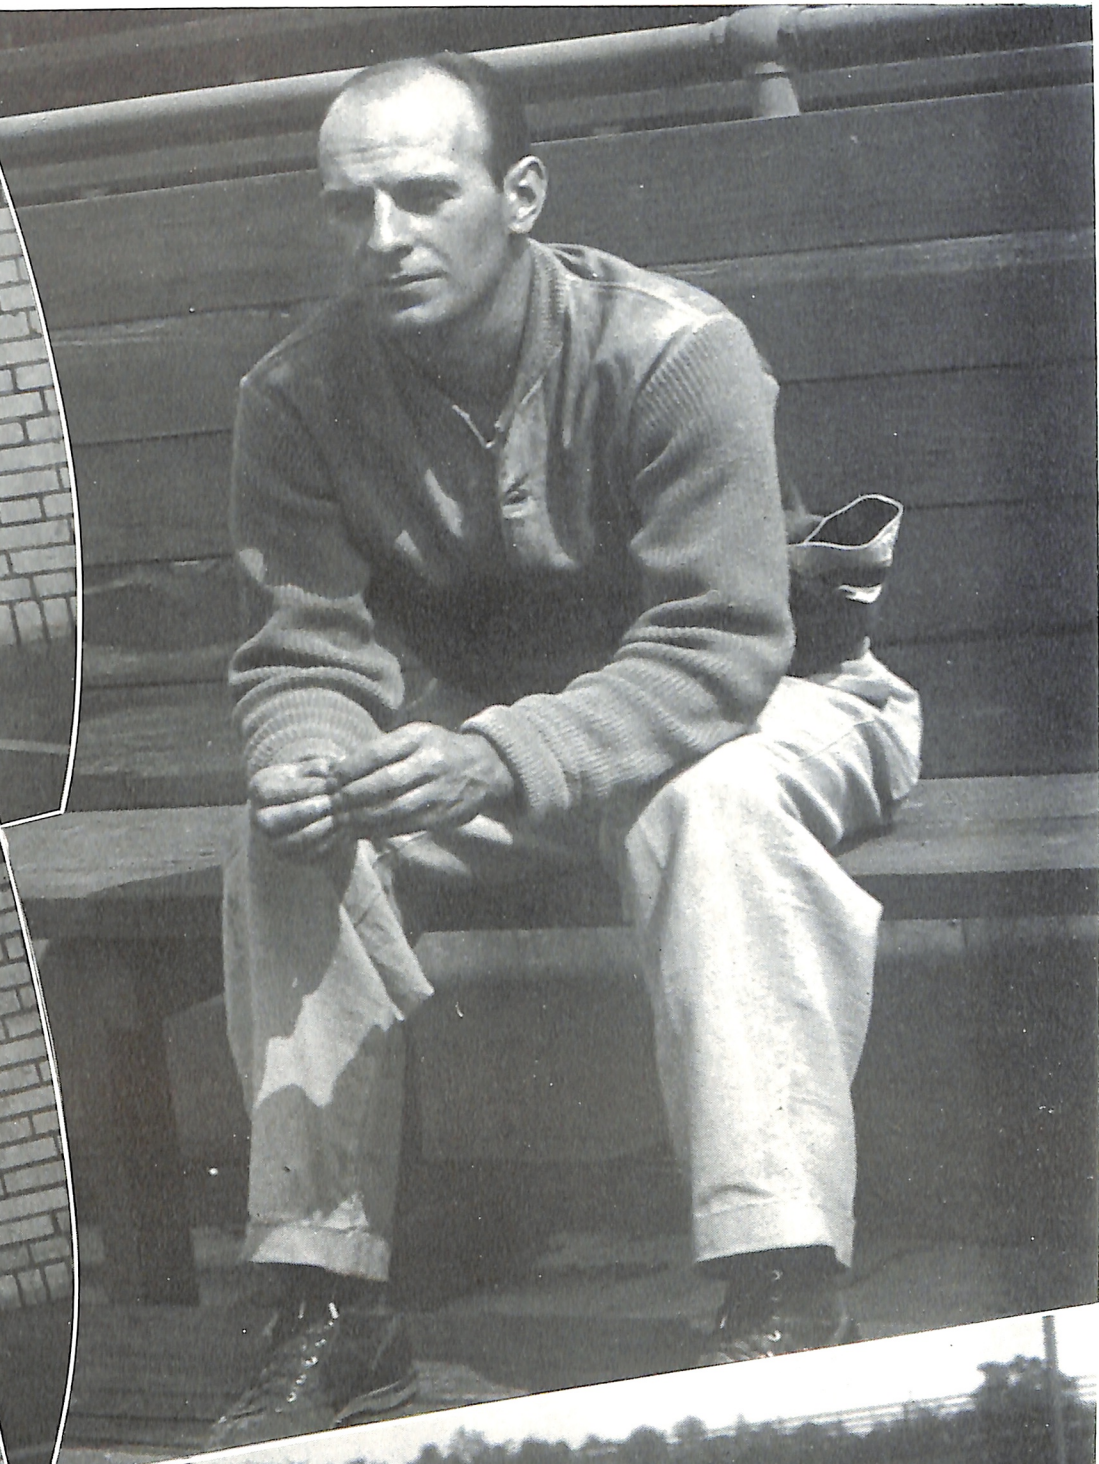

Unquestionably these men have created for themselves and for Massillon High School an athletic glamour which begs eternal memory and undying respect. But it is not their athletic record alone of which we boast. It is, also, their wholesome influence for clean living and fair play that will continue to be idolized for years to come. They have charted a course and cited a goal which will challenge the best efforts of Massillonians for all time.

BASKETBALL

The Tiger tossers finished a successful season with 12 wins in 16 starts and then went on to advance to the semi-finals in the State Tournament at Columbus. Horace Gillom won a place on the All-Ohio third team, and Clarence McDade and Chuck Buttermore returned with places on all-tournament squads.

WIN FIRST SIX GAMES

In the opener they defeated Campbell Memorial 37-28, Gillom sinking 14 points. They showed improvement as they beat Akron Central 47-31, Gillom repeating his previous total. Following up their shots, the Tigers easily defeated Youngstown South 47-29. In a seesaw battle Getz and Buttermore led the quintet to a 40-30 victory over Weirton. In a slow game they beat New Philadelphia, last year's state champs, 37-28. At their best, the tossers defeated Akron North 44-34; Getz, McDade, and Gillom bagging 39 points.

TASTE FIRST DEFEAT

After leading most of the way, the Tigers lost a heart breaker to Canton McKinley in the final minute 23-24. Finishing fast in the second half, they swamped East Liverpool 52-35, DeMando meshing 14. Using pressure in the back court, the Bengals beat Akron St. Vincent 37-26. An undefeated Akron South team won a thriller in two overtime periods 45-42, in spite of Gillom's 20 points.

RUN UP BIGGEST SCORE

The Tigers shot well to drub Newark 44-28, DeMando scoring 12. Led by Tom Carnes, the Canton McKinley Bulldogs played their hottest in defeating Massillon 41-28. Rolling up their biggest score, the Tigers beat Akron East 54-39. Led by DeMando with 17 points, they triumphed over the Alliance Aviators 46-32. Turning on the steam in a fast finish, the quintet defeated Mansfield 49-39. In their final game, the Tigers were nosed out in the last minute by Warren 41-39.

MOVE ON TO COLUMBUS

Capitalizing on a good third quarter, the Bengals defeated Akron East 43-30 in the first round of the district tournament. The team earned the right to meet Timken in the district finals by beating Akron North 44-25. Staging an exciting fourth period rally, the Tigers won a trip to Columbus by shading Canton Timken's valiant Trojans 26-24.

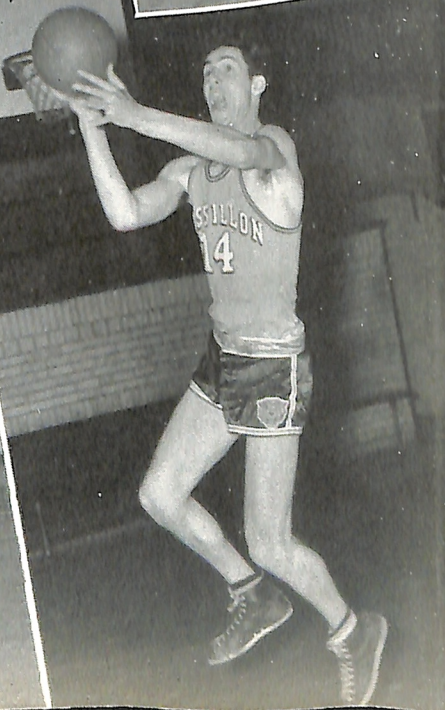

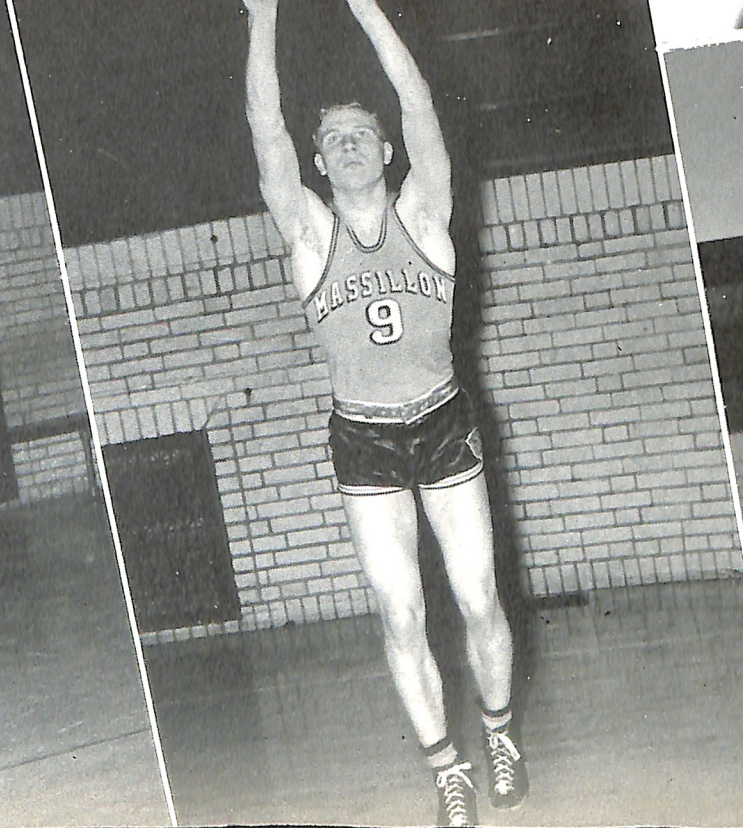

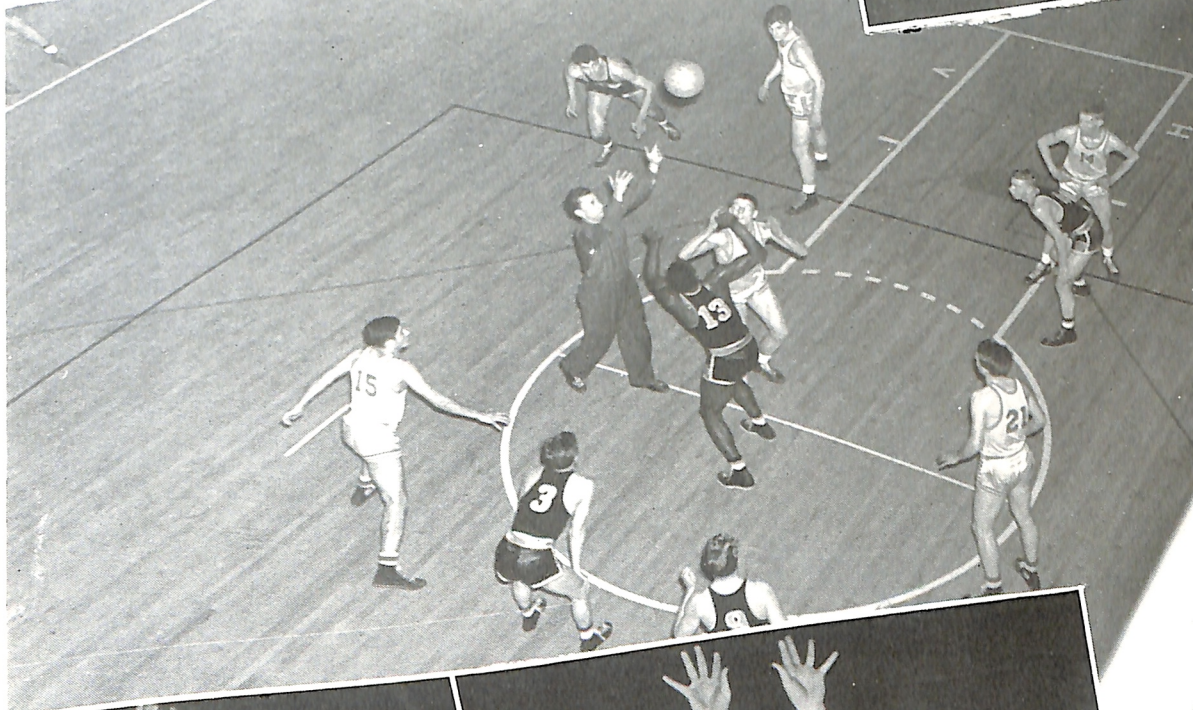

ADVANCE TO STATE SEMI-FINALS

With McDade hitting the hoop for 18 points, the cagers conquered Bryan in the first round 44-38. Playing without Horace Gillom, the Tigers outscored a lanky Cincinnati Hughes team 38-34 to advance to the semi-finals. A desperate last minute rally falling short, the quintet lost to Lakewood in the semi-finals in an erratic game 31-34.

The half-mile relay team placed second, the medley relay team placed fifth, and Blunt placed third in the 100-yard dash. They then went on to place second in the Triangular Meet at Akron Garfield with 48 points. In a dual meet with Canton McKinley they defeated their rivals $65\frac{2}{3}$ to $52\frac{3}{4}$ with Gillem and James making outstanding marks with 23 seconds in the 220-yard dash and $5'7\frac{1}{2}"$ in the high jump respectively. The Tigers came in second with 28 points at the District Meet at Salem and set three new records. Getz tied for first in the 440-yard dash with 52.5 seconds, Gillem set a new record in the low hurdles with 25.5 seconds, the half-mile relay team also set a record with 1 minute, 31.5 seconds, the mile relay team did the same with 3 minutes, 29.9 seconds, and Blunt placed 4th in both the 100-yard and 220-yard dash. They terminated a successful season by scoring 3 points in the State Meet and the half-mile relay team placed third in their division.

Physical Education is compulsory to all Sophomores, nevertheless many upperclassmen enjoy the many advantages gained in the girls' gymnasium. The program, being diversified, tends to afford to all students some means of relaxation and enjoyment through active participation in some sport. The activities conducted this year were hockey, badminton, ping pong, volleyball, basketball, indoor baseball, and archery.

The tumbling and ring clubs entertain at the basketball games, and are also an attraction at the G. A. A. dances.

Dancing is taught once a week, which includes social, folk, and tap dancing. The La Conga, a dance which originated in Africa, proved very interesting this year.

The Leaders' Club, composed of girls who are vitally interested in Physical Education and Health, assists in the intramural program as referees and as coaches for the Junior High Teams.

Instruction, as well as participation, is stressed and good sportsmanship rules supreme.

SATURN

OBSERVATORY

In the spring of 1939 a nine inch telescopic mirror, and two fine eyepieces were brought to light in the physics laboratory of Washington High School. The mirror had a pedigree. In the year 1917 a bright boy whose name is Frank Wagoner was enrolled here. Frank had a yen for astronomy—so strong that he studied many dusty volumes on the subject, went to Pittsburgh to interview the great lens grinder, John Brashear, and then, armed with the needed information, he dug a pit in his back yard, and set a flank of plate glass down in it, and after months of labor, turned out an almost perfect mirror. (Now a mirror to be useful in a telescope must be so ground that all rays of light falling upon it will come to a focus at one point. That point must not be so far from the mirror as to make necessary a telescope tube or barrel of too great length. All this was tit-tat-toe to Frank Wagoner. But the eyepieces—well, that was something else again. Brashear must make them, for they must be perfect, and to make them involved even more intricate operations than mirror grinding.) John Brashear was called upon to make two eyepieces of different focal length to complete the lens equipment of the telescope.

With the help of the manual training instructor of that day (a Mr. Powell, now a professor at Bowling Green University) a wooden tube and telescope mount were constructed. (The mirror was silvered, the parts of the telescope were assembled, and many pleasant evenings were spent on the roof of the high school, interviewing our neighbors in the universe.)

When Frank Wagoner graduated from high school he left a completed telescope to become a part of the equipment of the school. For a few years it was used, then the wooden parts yielded to the spears and arrows of mother nature. The telescope was dismantled, and mirror and eyepieces stored in the physics laboratory.

In 1938 another bright boy with an interest in astronomy graduated from Washington High School. Robert Indorf also had a hunger for things mechanical. Jobs being scarcer than orchid frogskins, Bob spent his last farthings for a lathe, took it home, strapped it to the potato bin, and began giving himself some mechanical training. When the mirror and eyepieces came to light Bob and Mr. Crewson had a conference. Another Wagoner entered the picture, one J. L. Wagoner of Pittsburgh. He supplied encouragement, some material aid, and priceless contacts with astronomers. Now two years pass. Several trips to Pittsburgh, several pleas by Crewson to the Washington High School Budget Commission (L. J. Smith, L. P. Kemp, Paul Brown, Earl Ackley, and Dr. H. W. Bell), every member of which was a friend of the project and proved his friendship with grants of cold cash, many months of work by Bob Indorf, using his newly acquired mechanical skill to build himself a monument, and presto! A powerful telescope is now the property of our school. And it is housed permanently at Tiger Stadium in an observatory made possible by the combined efforts of L. J. Smith, H. S. Zepp, and Dr. H. W. Bell. Let all those who say "Massillon has football only" take inventory.

The first appearance of the Marching Band was at the Cleveland Ram All-Star game in the Cleveland Stadium. It gave every indication that the band was in for a big year; even Mickey Rooney gave it his personal O. K.

Then came the Tiger schedule of ten games with trips to Erie, Rubber Bowl, Mansfield and Youngstown. The Toledo Scott-Waite Thanksgiving Day game closed the '39-'40 Marching Band season with a record of having played to over 202,000 people. The heart-warming welcome by the townspeople at the depot was the crowning touch to a perfect season.

The Basketball Band, selected from the Symphonic Band by Don Haxton, student director, supplied the games with the type of music the customers like.

All things considered, "A great band had a great year."

From this fine band have been selected those who have proven their musical ability and spirit of co-operation for the "Three Star Bandsmen." They have constituted the "backbone of the band" in the past year.

ORCHESTRA

Although the high school orchestra does not play to such large crowds as the Band, its study of music is just as serious and sincere.

The first semester is devoted to the study of the strings. Because of the greater difficulties in technique and intonation, the study of ensemble music and exercises is necessary to weld the strings into a section playing as one. Then the wind instruments are added the second semester and standard orchestra music is added to the repertoire of the orchestra.

The orchestra furnished music for the plays given by the Struts and Frets Dramatic Club. It plays for the Patrons' Reception, at various clubs and churches, and for commencement.

It is the aim of the instrumental department in the future to eventually build the orchestra up to symphonic proportions. Lack of material and proper balance of instrumentation has been responsible for the comparatively small orchestra to date. With a larger number of Junior High Orchestra players being developed each year, prospects are greatly improving for a realization of our aim in the near future.

A CAPPELLA CHOIR

Beginning the second decade of its existence, the A Cappella Choir is rated as one of the most popular organizations of Washington High School, by its members who do the singing, and by the students, teachers, kinfolk, and general public who hear it.

In the ten short years since it was organized the choir has practically doubled its membership as well as its ability to interpret artistically the best of music, both classical and popular.

The annual presentation by the choir and guest soloists of Handel's "Messiah" is hailed by Massillon's music lovers as one of the highlights of the Christmas season. The choir members were handicapped this year in that Miss Sheen was unable to return to school before the middle of October, which left little time for the preparation of the ever popular oratorio. But, due to much hard work and many long hours of rehearsal, the "Messiah" was given on December thirteenth, on schedule.

First Row—Bill Bright, Floyd Huff, John Gotsoff, Arthur Schrag, Ada Reynolds, Joyce Urban, Ruth Krisher, Kathleen Urban, Mona Stout.

Second Row—Bill Eckstein, Elmo Hooley, Bob Tidrick, Dave Snyder, Jerry Frederick, Patsy Kosmides, Dorothy Mayers, Julia Swier.

Third Row—David Evans, Raymond Strecker, Donald Johns, Dale Maurer, Robert Morton, Ann Richardson, Lois Sparks, Martha Reed, Ellen Tidrick.

Fourth Row—Burton Kreiger, John Budd, Robert Wehrle, Dan Williams, Marshall Dutchess, Ann Swanson, Maxine Scharver, Mary Frances Walker, Helen Brooks, Marilyn Fricker.

The soloists included Miss Lucille Bauch, soprano, from Pittsburgh; Miss Irene Beamer, contralto, from Massillon; Mr. Howard Jarrett, tenor, from Delaware, Ohio; and Mr. Gordon McKinnon, bass-baritone, from Cleveland, Ohio. The choirs and soloists were accompanied by two pianos and an eight-piece orchestra.

The choir has to its credit a long list of outstanding performances including radio broadcasts; concerts at home, and in other cities, throughout the state and nation; participation in state contests; and a demonstration before the Northeastern Ohio Teachers Association.

This year a mid-winter concert composed entirely of American music was presented February twenty-fifth, the first concert of its kind in the history of the choir.

A concert at Washington Courthouse, a spring concert given here and a program at Senior Chapel climaxed a busy but enjoyable season for the Washington High Choir which will be remembered by every member.

First Row—Dave Snyder, Norman Putman, Arthur Schrag, Bill Bright, Elmo Hooley.

Second Row—Steve Atwater, Bob Tidrick, Buster Kreiger, Dave Evans.

First Row—Jean Hermann, Mary A. Edgar, Marilyn Jones, Mona Stout, Jeanne Wolfe.

Second Row—Geraldine Frederick, Jean Boerner, Ellen Tidrick, Ann Richardson, Virginia Huffman.

VOCAL ENSEMBLES

The Ensembles were first organized in 1939-40 to give talented singers the opportunity to work in a small group. The Ensembles consist of select groups of students chosen from the choir. The ability to read music at sight, a voice that blends well, and a good memory are the requirements; in addition to faithful attendance to rehearsals which are held twice a week during the home room period.

Their repertoire covers a wide field—ranging from folk songs of Europe and America to operatic and other classical numbers.

They have responded to many requests to sing in public. The ensembles have sung for several school functions such as chapel programs and the annual patrons' reception. As these Ensembles were organized late in the year, it was impossible to enter into any contests; but the eager receptions by its audiences marked the popularity of these ensembles.

SPEECH TOURNAMENT

Along with sports, music, and dramatics, the Speech Department hops on the bandwagon of champions. This year Massillon adopted a new speech director, Miss Marge Rowe.

The Speech Department consisted of two beginning classes, an advanced class, and a speech club.

The first project was the Prince of Peace Contest. Massillon students, Martha Reed, Karl Schmidt, and Virginia Patterson received silver medals for taking top honors in County Contests. Karl Schmidt carried the banner on for Massillon at Oberlin; he received a gold medal, and competed in the State Semi-Finals.

The best speakers in Humorous, Dramatic, Oratorical Declamation, and Original Oratory are chosen for Tournament competition.

The first tournament was held in Hamilton, Ohio, where Massillon won first place.

Shelby, Doylestown, Columbus North, Niles, and Canton McKinley were also hosts to Massillon in practice tournaments. National Forensic League Competition at Lexington, Kentucky, completed the season.

The Washington High Debate Club of 1941 is comprised of 27 members who have climaxed a successful season by reaching their goal, the state elimination finals at Columbus. When we add to this feat the undisputed championship at the largest debate tournament held in Ohio this year we can readily see the results of many hours of practice, research, and hard work. To win the National championship at Lexington, Kentucky, in May, is the budding desire of these sprouting Daniel Websters under the able direction of "Ivan." For this reason they have adopted the slogan, "Kentucky if we Kan!"

"Resolved: That the Power of the Federal Government Should be Increased." This is the question which is argued pro and con by the members. This is by far the most difficult of all the questions yet debated by the numerous debate teams of the nation.

As a group the club has traveled 2500 miles already this year. We have counted our rewards in the many friends we have met at various tournaments, in practice, and in the ability to argue without being out-argued, "we hope."

Hard work? Yes! Fun? I should say so!

DRAMATICS

Struts and Frets Dramatic Club is composed of fifty students who are chosen by competitive try-outs. Those interested in acting must give a scene from a play, or some dramatic selection, while those interested in technical work serve a period of apprenticeship, after which the Club Sponsor chooses the students best qualified. Nearly two hundred students try out for Struts and Frets each year; however, for the sake of efficiency, only a small number are chosen.

Three major productions are presented each school year. Also one-act plays are given, and chapel skits are presented. Regular club meetings are held each Wednesday at three forty-five, at which attendance is compulsory. Special meetings

and parties are held during the year, and trips are taken to see the work of other dramatic organizations.

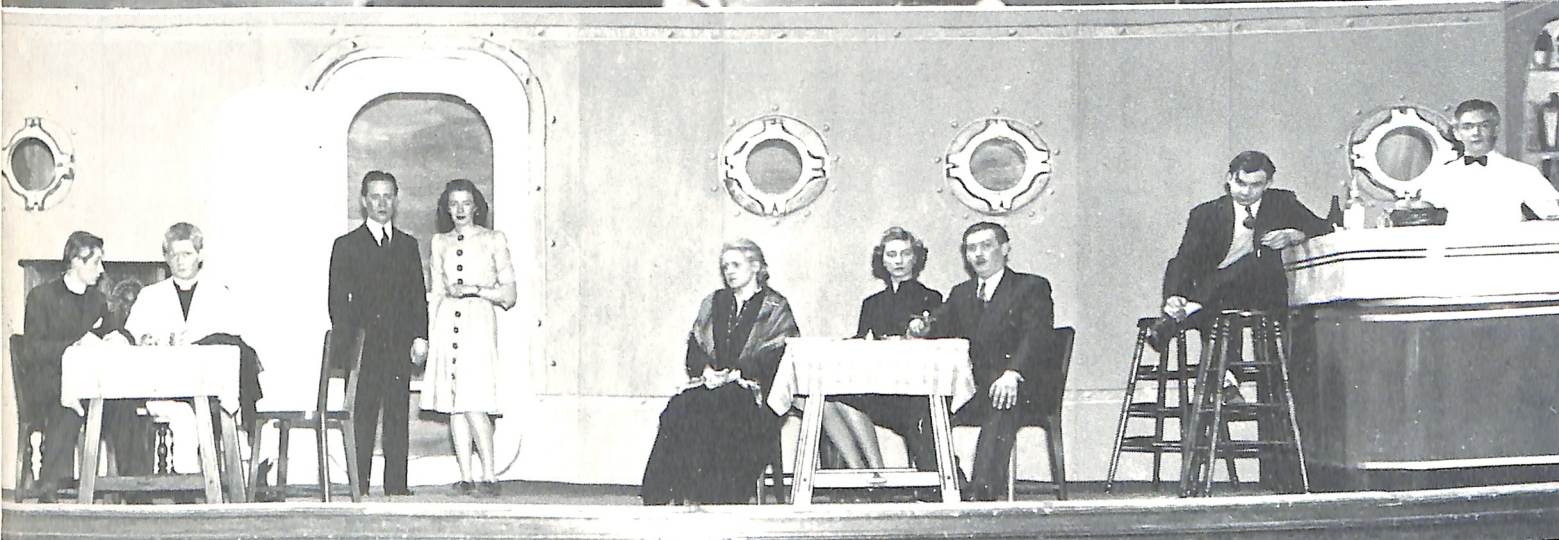

An advisory board, appointed by the Club Sponsor, assists in the selection of plays, with a great deal of time and thought being expended in choosing entertaining and worthwhile dramas. After the play has been chosen, competitive try-outs determine who will play the various roles.

It is the goal of Struts and Frets to create a genuine interest in dramatics as a medium of self expression, and to give to the students of Washington High School and the citizens of Massillon the very best in the field of amateur dramatics.

THE BEST SCHOOL BUILDING PROGRAMS START WITH AN EDUCATIONAL PROGRAM

The Board of Education of Massillon had this thought in mind in evolving and completing a building program for our public schools, which cost approximately \$900,000. The Public Works Administration of Washington, D. C., contributed an outright gift of \$400,000 of the above sum. In the determination of this carefully worked out program in which a Stadium, three elementary buildings, and six additions to the present buildings were erected, many major factors were taken into consideration. Since school buildings as now constructed should have a lifetime of from 50 to 75 years it is extremely important that the location and planning be determined carefully. Expert opinion seems to be that a careful building program should be based on extensive analysis of both present and future needs which can be checked from time to time on expenditures and capital outlay as contemplated, and also the population, the type of school organization under

which we work, a careful analysis of the number of school children of school age and the proportion of those now in attendance likely to attend in the future, and the conditions of the present school plant or the degree of its utilization.

All the classrooms typify the modern trend in schoolroom construction. Provisions have been made so that an adequate program in vocational training may be incorporated. Due to the effective lighting system which provides light without glare and the harmonious coloring of walls and ceilings, these new classrooms radiate an air of cheerfulness and hospitality—factors which undoubtedly have a definite place in every classroom. Individual lockers are provided in the corridors and generous space has been provided for bulletin boards. All of the rooms are designed so that the teacher may have space and facilities as well as pleasant and healthful surroundings in which to carry on a modern activity type of classroom.

Achievement

We congratulate the Graduates of 1941 Washington High. May you succeed in attaining those high ambitions which you now foster.

Quite often not many years separate graduation and the establishing of your Home . . . When that time comes, consider the reputation of Finefrocks, for quality and good taste in home furnishings.

There's A Job Waiting For You!

The kind of job you get probably will affect your whole life. If it's a temporary one that almost anyone can get, you may find it necessary to start all over.

But if it is a job for which you have prepared yourself by special business training, you are starting right and will forge ahead. The man or woman who is trained in business has job security, good pay, pleasant hours, and unlimited opportunity for advancement.

We invite you to train for business at The Massillon Commercial Institute. Our system is recognized by local industries and business men as thoroughly efficient — we have many calls from them for trained help, often more calls than we are able to fill.

Today, as fast as our students are prepared, we are placing them in good positions.

modern

To be able to take the usual elements of picture and story, and present them to your student body in an unusual, new and interesting fashion is to be up-to-date—MODERN.

Through our experienced representatives and art staff we can assure modernism in your annual.

Producing a yearbook with the least amount of wasted energy and unnecessary expense is also modernism. As a result of twenty-two years spent in producing school yearbooks we are well qualified to help you on this and any other phase of annual work.
